

DATE: February 10th, 2017

TO: General Aviation Enthusiasts and Supporters

SUBJECT: Missouri Pilots Association 2017 Annual Convention

To quote Mark Baker, AOPA President, “The future of General Aviation is for everyone – the pilots of today and tomorrow – and it will take all of us to guarantee it’s the future we want”. As we have stated many times before, “there is strength in numbers” and “we can make a difference”. The WE refers to YOU ... as we are all General Aviations “first responders” – we are the pilots, airports, designers, engineers, FBO’s, mechanics, educators, flight instructors, students businesses, manufacturers, industries and communities who not just personally benefit from GA but help pump millions into our Federal, State and Local economies.

The MPA will be hosting their 64rd Anniversary and Annual 2017 Convention May 5th, 6th and 7th at the Inn at Grand Glaize in Osage Beach, MO. We have chosen this facility as the convention venue because of its proximity to the Grand Glaize Airport (K15), shopping and recreational activities. Because of your strong commitment in serving the General Aviation community we would like to invite you to come and participate. This is also an excellent opportunity for you to promote your business while helping us promote our mission. Your financial support or product donation will help us conduct a high quality even and provide an important service to the aviation community. Monetary support is needed to supplement the convention budget and product support is needed to fill convention packets (pens, luggage tags, chips, candy or anything with a company logo). Of course, we would be pleased to discuss any other ways in which you might like to participate.

We are a not-for-profit organization (501c3) incorporated in 1953 and committed to Aviation Safety and Education as well as charitable tasks. The mission and purpose of our organization is to “Promote the highest standards of safety through continuing education and preserve General Aviation for future generations in the State of Missouri”. We are passionate about passing on the legacy of aviation to future generations and your support will help us achieve this.

To encourage your participation we have enclosed a vender sponsorship sheet and registration form. The attire for the convention is totally casual ... including the banquet ... so come, have fun, share, learn and enjoy the camaraderie of fellow pilots and the future of General Aviation.

Thanking you in advance for your support.

Keep our skies safe,

Gary
