FLY-IN

September
22nd & 23rd

Get Ready for Two Days

Airborne Demonstration Team's C-49 "Wild Kat" WWII Parachute Jump Demonstration - SATURDAY ONLY

The WWII Airborne Demonstration Team Foundation was formed to honor and serve the memory of the men who fought and died to preserve America's freedom during WWII as members of the Airborne units of the United States Army.

Tulsa Warbirds

The Tulsa Warbirds Foundation operate vintage WWII North American T-6 Texan Trainers.

PT-17 Stearman Biplanes

From 1934 to February 1945, the Stearman Aircraft Company, a division of Boeing Aircraft Company, built a total of 8,428 planes. More American military pilots learned to fly in the Stearman Model 75 primary trainers than in any other airplane.

Van's RV Formation Team

Van's Aircraft is the leading designer and manufacturer of kit aircraft, with more than 10,000 flying aircraft and a wide selection of models and designs.

Bellanca Fly-In

Wooden Winged Vikings / Super Vikings / 14-19-2/3s, 14-13s, 260s, Decathlons/Citabrias, Triple Tails, Cruisair / Cruise Master

Back to Bartlesville Regional Fly-In is a new two day event aimed to bring back the essence of great aviation events of the past. For decades, Bartlesville was home to major Fly-In events that drew thousands of aviation enthusiasts and families from hundreds of miles around to what is now the Bartlesville Municipal Airport.
