Rules:

You must start at WDG. It is recommended that you go counter-clockwise for air safety.

Recommended course:

1. KWDG - F22 25 NM, 085° course
2. F22 - KPNC 22 NM, 019° course
3. KPNC – O53 31 NM, 274° course
4. O53 – KWDG 25 NM, 181° course

Total round-trip distance: 128.5 NM

- 1) Participating airports are:

Perry, OK **KF22**; Ponca City, OK **KPNC**; Medford, OK **O53**; Enid Woodring, Enid, OK **KWDG**.

- 2) Participants will receive one sealed envelope containing one card at each airport stop. Once you complete the Poker Run, you will present your three envelopes to airport personnel who will give you your last envelope with two cards inside.
- 3) Upon arrival at a participating airport, exit the runway as soon as practical, and taxi to the Poker Run official or official cardholder area to collect one sealed envelope containing one card.
- 4) You must present 5 UNOPENED (SEALED) envelopes to event officials at WOODRING Airport, **NO LATER** than **10:30 AM**.
- 5) Event officials will open each participant's envelopes to determine their "poker hand".
- 6) Pilots do not have to fly to every airport. In lieu of landing at a specific airport, you may elect to make an additional **\$10.00 DONATION** to **Loaves and Fishes** for the missing card.

- 7) Participants then play their poker hands at Woodring using their accumulated cards.
- 8) **The official poker game rules will be maintained by Mason Brinley at WDG.**

Pilots are expected to utilize standard traffic patterns and radio calls at each airport to maximize safety and to reduce to potential for midair collisions. It is absolutely imperative that every pilot be aware of the risks and hazards associated with traffic operations in a non-towered environment.

Be especially vigilant for propeller hazards while on the ground!

All participants will receive a \$.50/gallon discount from full service
